Atenveldt Kingdom Arts & Sciences Competition

Entry Pre-registration Form 2009

NOTE: Pre-registration is required for entry into the Atenveldt Kingdom Arts & Sciences Competition. This allows the A&S Staff to select judges in advance, to prepare the necessary judging forms, and to have a notion of how to best utilize the site in advance of the Competition itself. **For those submitting "complete" pre-registration information, all of the judging forms will be prepared in advance for pickup at the registration table at the Competition!** Full contact info will allow the Staff to reach you if you have left any of your items or materials at the event. **All information will be kept confidential.**

Basic required information is listed in **boldface**. Additional information required for a "complete" registration is indicated by an asterisk (*) preceding the item name. Please leave administrative areas (shown in grey) blank.

Completed pre-registration forms must be postmarked to or received by the Kingdom Minister of Arts & Sciences, or by the Kingdom Emergency Deputy A&S Minister, **BY 3 SEPTEMBER 2009.** Forms may be transmitted by US Mail, by email (scanned), or by hand delivery. **Any reasonable facsimile of this form, containing all necessary information, will be accepted.**

Please print legibly:
